

MARANA TIGERS BASEBALL

Marana High School
Marana Tigers Baseball
EIN: 47-1772028, Tax Exempt Status 501(c)(3)

Our organization strives to develop the student athlete's physical, mental, and emotional talents. Through sportsmanship, team competition, and fun we encourage responsibility, compassion, and excellence in all aspects of performance on and off the field. Together, with the coaching staff, we are striving to ensure every student athlete enjoys their High School athletic experience and for those who wish to compete post High School has every opportunity to make that dream a reality.

Marana High School Baseball is currently working to raise funds for the 2025 baseball season. We are looking for any donation you can provide. The donation may be in the form of financial support or a donation which can be used for raffle prizes. As a known company, your support of our team and student athletes would be a great way to reach the local community and provide you with valuable marketing exposure. As with any high school program, we rely on the support of generous individuals and businesses to help with multiple expenses which include meals for athletes, uniforms, transportation, equipment and field care to name a few.

Your support is critical to the individual success of each student athlete and our baseball program collectively.
